Provided by the USAG Schweinfurt Army Community Service (ACS)

Important update: Over the next 2 years, the Army will transition from one automated recruitment tool - Resumix - to another - USA Staffing - for advertising vacant positions, accepting applications from job seekers, and evaluating the job seeker's eligibility and qualifications. During this period of transition, each job announcement will have instructions to guide job seekers through the application process for the specified recruitment tool. To maximize the capabilities of USA Staffing all announcements will migrate to **Army Civilian Service**. Please bookmark the url armycivilianservice.com and remember to save your resume in USAJobs as well as the Army Resumix on CPOL.
